I offer 5 different sizes and one is sure to fit into your budget. The block used in all quilts shown above is called Wyoming Valley and is the only block in the quilts. Different looks are obtained by changing the fabric placement from block to block.

You can send a color photo of the room you intend to use or display the quilt in. The photos can be either mailed to me at the address above or emailed to me at our email address. I will select a feature fabric based on your theme preference and select coordinating fabrics from that piece. I like to add one additional accent fabric to add some zing to your quilt and I try to select that from the photo that you provide.

Your Theme Fabric choice is up to you. Be as specific as you can. Animals such as wolves or deer work well. I can do flowers or a specific sport as the theme fabric. I can find just about any fabric. The example shown above on the right, has 4 Theme Fabrics (4 different sports) but the other fabrics used remain the same to give the quilt continuity.

To order your own custom, handcrafted wall hanging or quilt, please fill out the form below and mail it to the address above along with payment. Small quilts require payment at the time of the order. Queen size and King size quilts are paid in 3 installments. One third is due at the time of the order. The 2nd third is due when the quilt top is completed. Photos will be either mailed or emailed to the customer to show that the work is completed. When the 2nd payment is received, the hand quilting will begin. The final payment is due prior to shipping. Once again, photos will be either mailed or emailed to the customer showing the completed quilt.

When the fabric for your quilt has been selected based on your Theme Fabric Choice and Accent Fabric Choice, photos will be sent to you either via email or regular post office mail, so you can see the fabrics chosen. Changes can be made at this stage without any problem. Once cutting and construction has started, any changes will result in additional charges.

Manufacturing time is 7-9 weeks for a wall hanging, 12-14 weeks for a lap quilt, 16-18 weeks for double size, 22-26 weeks for queen size and 30-34 weeks for king size depending on order backlog. Please remember, all the quilting is done by hand, not machine so manufacturing time is longer than a mass produced, factory-made item.

All quilts have unbleached muslin for the backing fabric. Please call or email if you have questions before submitting your order. The sizes below are approximate. Your quilt could be an inch or 2 larger or smaller depending on the density of quilting.
